

COUNTY PLANNING SPRING CLEAN UP

PINE LAKE HILLS April 28, 2012

Planning Staff Work Crew- Scott Anderson, Ryan Streff, Deb Johnson, Dustin Powers, & Pat Herman

On Saturday, April 28th the Planning Department operated the 3rd Annual spring clean up in Rowena and the Pine Lake Hills Subdivision. Drenching rain the night before caused a hiccup to the start in Rowena as the dump site had to be moved from a field to a dry, paved lot. The damp, cool weather was not a deterrent to county residents who turned out to get rid of all their unwanted items for free. Special thanks to the Split Rock Township Board and staff for their excellent assistance - both labor and equipment. And thanks to the Novak employees who unloaded vehicle after vehicle. Recognition also is extended to the Pine Lake Hills Home Owner's Association for the use of their clubhouse parking lot.

7 a.m. Getting the site set up.

Split Rock's Bonnie Duffy & Mark Tooley, Planning's Pat Herman

Teamwork - Marv from Novak and Planning's Ryan Streff

Mark Tooley, still smiling near the end of the day. ➡

COUNTY PLANNING SPRING CLEAN UP

RENNER MAY 12, 2012

The 2nd Saturday clean up was held in Renner by the ball field. Only one location was used but the amount of residents included was equal to two sites. People were eager to take advantage of this opportunity and over 50 vehicles were waiting in line before the site opened. Local residents stopped by with both pop and homemade brownies for the staff. Once again the Novak employees offered outstanding help to the Planning team with unloading the vehicles.

Dustin Powers and Scott Anderson assist a resident.

Trash Collected	
Rowena	39 Tons
Pine Lake Hills	39 Tons
Renner	59.74 Tons
Total	137.74 Tons

Clean Up Crew - Ryan Streff and Darin VanDeBerg

Dumpster Diving - Scott Anderson

Darin VanDeBerg, Ryan Streff & Scott Anderson on a well deserved break.
