In a different county.....

This farm owner was denied a council permit to build a horse shelter. Fortunately, you don't need a permit to build a table and chairs.

ENVISION 2035

Development of the county's comprehensive plan, Envision 2035, focused on public involvement for the months of September, October and November. 6,500 postcards were mailed to county residents and business owners inviting them to attend an open house concerning the future of Minnehaha County. Meetings were held at the Dell Rapids M.S., Sioux Valley Electric Community Center, West Central M.S., and Tri-Valley H.S.. Residents had the opportunity to address and comment on the areas of agriculture, residential growth, commercial and industrial development and parks and recreation. The task force reviewed the information collected at their November meeting and will incorporate the ideas into the plan.

ON THE WEB

Thanks to an anonymous donor, the Planning Department was able to purchase a video camera and microphone to tape the Planning Commission meetings. The video recordings will be posted on youtube and can be accessed through the following link on the county's web site or search for MinnehahacountyPZ on youtube.

PLANNING COMMISSION NEWS

Mike Cypher and Becky Randall have been reappointed to the Planning Commission. Each will serve a four year term, 2013-2017.

Mike joined the Commission in 1998 and with this appointment will have the distinction of being the longest serving member ever.....ever, ever!

Becky will be starting her second term, joining in 2008. Do not put anchovies on her celebration pizza.

STAFF NEWS

Meet Josh Hellman, our GIS Technician. An Iowa transplant to Mitchell and a SDSU graduate, Josh joined our office in October. We are happy to have him on our team and he has fit right in - so we know he is a bit of a nut. Ask him about taking down two deer with one arrow this bow hunting season.

Also from Iowa and an Iowa State University grad, Dustin Powers has been with the office for over two years. The department is excited to announce that Dustin has been promoted to Planner II, a much deserved action. He will still remain the drainage czar. Way to go Captain Powers!
