WALL LAKE PARK IN APRIL

Wall Lake Park took a hit this year with the spring ice storm. Damage in the form of broken limbs and branches occurred to most of the trees in the park. Park Supervisor John Mork and his park crew spent 120 hours trimming, cleaning up and removing the branches to make the park safe for use by the public. The park and beach were ready for use in time for the warm weather the 3rd week of May.

John Mork considers a bonfire. ↓

WALL LAKE IN MAY

For two days in May, Scheels Sporting Goods rented Wall Lake Park for employee training. New water equipment was tested on the lake and the picnic shelters were used for classes. While the water was still cool, the weather cooperated and it was warm and sunny.

WALL LAKE IN JUNE

Wall Lake hosted guests again in June. The YMCA held both boys and girls camp at the park.

Looking Forward, Planning Ahead

Though traveling out of state on business Planning Commissioner Wayne Steinhauer was still dedicated to the job, voting by phone at the June Planning Commission meeting.
