If no structural alterations or additions are made, a nonconforming use may be changed to another nonconforming use of the same or a more restrictive classification. For the purposes of this article, each of the following classifications shall be considered to be "more restrictive" than those it precedes:

| 6. I-2 | Industrial              |

Whenever a nonconforming use has been changed to a more restrictive use or to a permitted use, such use shall not thereafter be changed to a less restrictive use.

18.05 EXTENSION OR ENLARGEMENT. A nonconforming use shall not be enlarged, extended, converted, reconstructed, or structurally altered unless such use is changed to a use permitted in the district in which the premise is located except that a conditional use permit may be authorized after the following criteria are given specific consideration:

- (A). Effect on surrounding property values.
- (B). The density of land use zoning for the subject and adjacent properties.

When the use of a building is nonconforming as defined by this ordinance and such a building is damaged by a fire, explosion, act of God, or the public enemy to the extent of more than 60 percent of its fair market value, it shall not be restored except in conformity with the provisions of the district in which the building is located. Exception: Single family dwellings may be restored if damaged less than 100 percent.

18.07 DISCONTINUANCE OF NONCONFORMING USE. In the event that a nonconforming use is discontinued for more than one year, any subsequent use shall thereafter be in conformity with the regulations of the district in which it is located.
