

# RURAL ADDRESS SIGNS

Minnehaha County requires that every home or business establishment within the unincorporated area of the county display an address sign. The Rural Address Ordinance regulates both the design and the placement of the sign. Failure to display or removal of the sign is punishable as a Class 2 misdemeanor.

The sign should be placed on the right hand side of the driveway as you stand in the road and face your house. If there are obstacles the sign may be placed on the left side of the driveway.

The post shall be placed in the ground between 0 and 30 feet from the edge of your driveway and within 1.5 feet of the right-of-way line or fence line. The face of the sign should be perpendicular to the roadway.

The post should be driven into the ground at least 2.5 feet. It is your responsibility to call S.D. One Call for utility locations (Dial 811).

The location of the sign should be free of any sight obstructions.

The sticky back numbers should be placed on each side of the sign. ]

The blue sign should be placed on the pole at least 4 feet up from the ground.

If you have more than one address the blue signs should be placed on the same pole.

The cost for a rural address sign is \$20.00. You will receive the blue sign plate, the post, two rivets, and two sets of sticky back numbers.
